

Hinesville, GA (KLHW) Comanche Clinic

April 21-23, 2017

This clinic will update you on the operational aspects of your Comanches systems, refresh your flying skills and enhance your proficiency and comfort for the 2017 flying season ahead. New Comanche owner or Comanche veteran, our program is sure to be of benefit.

The clinic seminar will begin in the conference room of [Midcoast Aviation](#) at the Wright AAF (Ft. Stewart/Midcoast Regional Airport)(KLHW) in Hinesville, GA on Friday April 21st. at 0800, and run until approximately 1700. On Saturday 4/22 at 0800 we will conduct our unique hands on systems lab. The optional dual flight instruction will be conducted Saturday and Sunday. Special registration rates apply for this clinic. The full course, including dual flight instruction in your aircraft, is normally \$750.00, discounted to \$650.00 w/14 days advance purchase. Ground School (seminar and hands-on lab only, no flight instruction) is \$425.00, reduced to \$375.00 w/14 day advance purchase. Register early and save.

FBO: Our host FBO is Midcoast Aviation, Inc. at KLHW, Hinesville GA, Ft Stewart, GA (912) 877-4359. Additional airport information: See [AirNav.com](#), Foreflight, or the FAA Chart Supplement (aka A/FD).

Hotel: [Holiday Inn Express](#), (912) 877-5611 for reservations, special rate (code "CPTP") of \$85/nt. plus tax. (a \$30 discount) Rate includes hot breakfast buffet. Transportation between KLHW and the hotel will be provided.

Rental Cars: Savannah Car Rental (912-370-1169): If you would like a rental car, discounted rates of \$25-\$40/day plus tax (depending on car type) have been negotiated. Mention *Charlie Martin/Midcoast Aviation* for the special rate. The rental cars will be available at KLHW.

Please visit the www.comanchetraining.com web site and download a registration form and mail it in as directed. Or for Express Registration over the phone contact Dennis Carew at (920) 749-9558.

Springtime in coastal Georgia is delightful. Flying there in your Comanche is even better. Come join your fellow Comanche pilots at our CPTP clinic.
